

DONATIONS POLICY

Thank you for your interest in making a donation. The SVA Library appreciates the value of donations to the library and recognizes that they can be useful and valuable resources for the library's collections. Donations are accepted with no commitment concerning their placement or retention in the SVA Library collections. Items that are not accessioned into the collection – or at some point in the future are removed – will not be returned to donors. Please also note that the School of Visual Arts is not a non-profit institution and therefore this gift is not tax deductible. If you are interested in making a donation, please contact: library@sva.edu

For alternative donation options, you can find the American Library Association page of resources on donating books and magazines here: <https://libguides.ala.org/book-donations>
